

CONVERT-TO-CLOUD

Analyse. Plan. Realise.

Three steps to your successful cloud migration.

#01

CHECK-IN

Check your current status and what you need for your migration – quickly and easily with our **Instant Cloud Check**. Or arrange your workshop appointment directly.

#02

CLOUD-READINESS-WORKSHOP

In just a few hours, we will analyse what the cloud upgrade can do for you and what steps need to be taken. Your guaranteed workshop results:

- Action plan and timetable tailored to you, including cost information.
- Your savings potential through the migration to the SAP Commerce Cloud.
- Individual recommendations for the best time of your migration.

#03
